

TERMS AND CONDITIONS FOR THE BACK TO SCHOOL CAMPAIGN

Electric by D'leteren

1. TERMS AND CONDITIONS

1.1 Free transport costs: Customers benefit from free transport costs worth €221.07 including VAT (21%) when they purchase an Alfen EDI-line charging station.

1.2 Connected cable discount: A €121 discount including VAT (21%) is granted on the purchase of a connected cable.

1.3 Discount Application: The discount is automatically deducted from the total amount when the quote is generated. You do not need to enter a promo code or take any additional steps. The discount is applied directly and is clearly visible on the quote.

2. CONDITIONS OF PARTICIPATION

Target group: This promotion is aimed exclusively at private individuals and the self-employed. This offer does not apply to fleet customers.

Product restrictions: The offer only applies to Alfen's EDI-line and Connected cable and does not apply to other products.

3. DURATION OF THE CAMPAIGN

Start and end dates: The campaign runs from September 1 to September 30.

4. CONDITIONS AND RESTRICTIONS

4.1 Non-transferable: Discounts and free shipping are non-transferable and cannot be paid in cash.

4.2 Combination with other promotions: This promotion cannot be combined with any other current promotions or discounts, unless otherwise stated.

4.3 Availability: Offers are valid while stocks last.

5. SCOPE OF APPLICATION

By participating in this campaign, the customer accepts the following terms and conditions. Electric by d'leteren reserves the right to modify these conditions without prior notice.
